

NETWORX Minimum Revenue Guarantee Announcement

As announced in an attachment to the Networx Draft RFPs, which were posted on FEDBIZOPS October 29, 2004, a Networx Public Forum was held on November 5, 2004. Briefings from the forum will be posted at the following website: www.gsa.gov/networx. During this forum, Mr. John C. Johnson, Assistant Commissioner for Service Development and Acting Assistant Commissioner for Service Delivery, announced the following Minimum Revenue Guarantees for both Networx Universal and Enterprise. The Networx Universal contract will provide a total contract Minimum Revenue Guarantee (MRG) of \$525 million to be divided equally among the Networx Universal awardees. The amount of MRG per awardee will depend on the number of Universal awards made. The Networx Enterprise contract will provide a total contract MRG of \$25 million which is to be divided equally among Enterprise awardees.
